WCLT's HOUSING NEEDS CRITERIA

Homes are available under either rental or shared ownership. In compiling a list of nominees who need accommodation in the Parish, WCLT shall apply the following criteria:

1 Conditions precedent, i.e. criteria which must be met in all cases:

- 1.1 Housing Need: inability of such applicant to afford suitable accommodation on the open market whether for rental or purchase within the Parish

WCLT will consider the applicant's financial circumstances, including their disposable income and savings, and how that measures against average income levels in the area, and whether the applicant can afford other accommodation or find other accommodation at an affordable price or rent.

Only those will be considered

- whose household income and capital are insufficient to buy or rent the home they need in the Area on the open market; and
- who are unable to relieve that housing need themselves.

- 1.2 Ability to afford WCLT home

WCLT will require proof of household income, capital and other financial commitments so that the outgoings to which an applicant would be committed are affordable.

- 1.3 Requirement of the applicant for accommodation of the type available

Homes must be suited to the applicant's and family's needs in terms of size of property available.

2 Local Connection

Without prejudice to the generality of the foregoing regarding "need" and financial circumstances, consideration will be given to the following, **with preference given to applicants who are able to establish and prove a strong local connection with the Parish.**

An applicant shall be taken to have a strong local connection if he or she satisfies one or more of the following:

- 2.1 He or she is ordinarily resident in the Parish at the date of the allocation
- 2.2 He or she was previously ordinarily resident in the Parish prior to the date of allocation and has family who ordinarily reside there (See notes 3 and 4, page iv.)
- 2.3 He or she has a demonstrable need to reside in the Parish by reason of
 - a) current employment in the Area
 - b) taking up permanent employment in the Area

Re Area, see Note 1, page iv
Re Employment, see Note 2, page iv

See also Note 2, page iv.
- 2.4 He or she has a demonstrable need to reside in the Parish either to support or to be supported by another member of his/her family who ordinarily resides in the Parish at the date of allocation (See note 3, page iv)
- 2.5 He or she will be an asset to the community in the Parish in their support of voluntary organisations which operate in the Area.¹

3 Current Accommodation

Account will be taken of

- The suitability/unsuitability of the current accommodation;
- State of repair of current accommodation.

4 Length of Wait

Those who have applied to be considered and who have been waiting longest will receive higher priority if satisfaction of all other factors is equal.

Notes:

1. Area

The civil parish of Wickham and any adjoining rural civil parishes, namely Shedfield, Soberton & Newtown, Boarhunt, Swanmore, Bishop's Waltham or Curdridge. See also Note 4 a - e below.

2. Employment

Priority will be given to Key Workers by virtue of their employment in the public or voluntary sectors or in a relevant employment¹ in the Area in such manner or capacity as to advance education, relieve sickness, promote public health, relieve charitable need, protect human life or property, promote the sound administration of the law or advance other purposes for the general benefit of the community, including in particular (but without prejudice to the generality of the foregoing) the maintenance for the benefit of the community of its infrastructure, including supplies of gas, water, electricity and food, of transport and other means of communication, of telecommunication information and information technology services, and of emergency services.²

Those without employment or an offer of employment who can show they have good prospects of securing a job will be considered.

3. Family

A person shall be taken to be a member of another's family if he or she is the spouse, civil partner, mother, father, sister, brother, daughter, son, grandparent or grandchild of that other person or if he or she ordinarily resides with that other person without being legally married to or in a civil partnership with that person. Family also includes adopted and step relatives/half blood.

4. Local Connection will be taken in the following order of priority:

- a) *Applicants who meet or have met the strong local connection criteria set out above for at least 3 years to the Parish of Wickham;*
- b) *Applicants who meet or have met the strong local connection criteria set out above for at least 1 year to the Parish of Wickham;*

². Charity Commission: "Affordable Home Ownership – Charitable Status and Tax"

Please note that the demand for WCLT housing is higher than the supply and there will be a waiting list, so in cases where there is no difference between the details of applicants date order of application will be considered.
